Just Because School Is Closed, Doesn't Mean the Library Is!

Over the winter break, your student will have access to our collection of **Axis 360 eBooks**. Encourage them to pick a few to read over the break!

- eBooks and/or eAudiobooks can be checked out anytime
- Read or listen on or offline
- Place items on hold to be notified when they are available
- Content is automatically returned upon expiration

Axis 360 eBooks can be accessed two ways:

1.

From any Android, iDevice or Kindle Fire using the free Axis 360 app... download the app, search for your school and then log in to get started.

2.

From a tablet, PC or Mac computer using a web-browser (Chrome, Firefox, Safari, etc.). Go to your library's Axis 360 URL and then log in.
